# Location and lifestyle

Welcome to the Apartments: our vibrant village community. Surrounded by parkland, birdsong and ancient eucalyptus trees, it is hard to believe you are only 5km from the CBD.

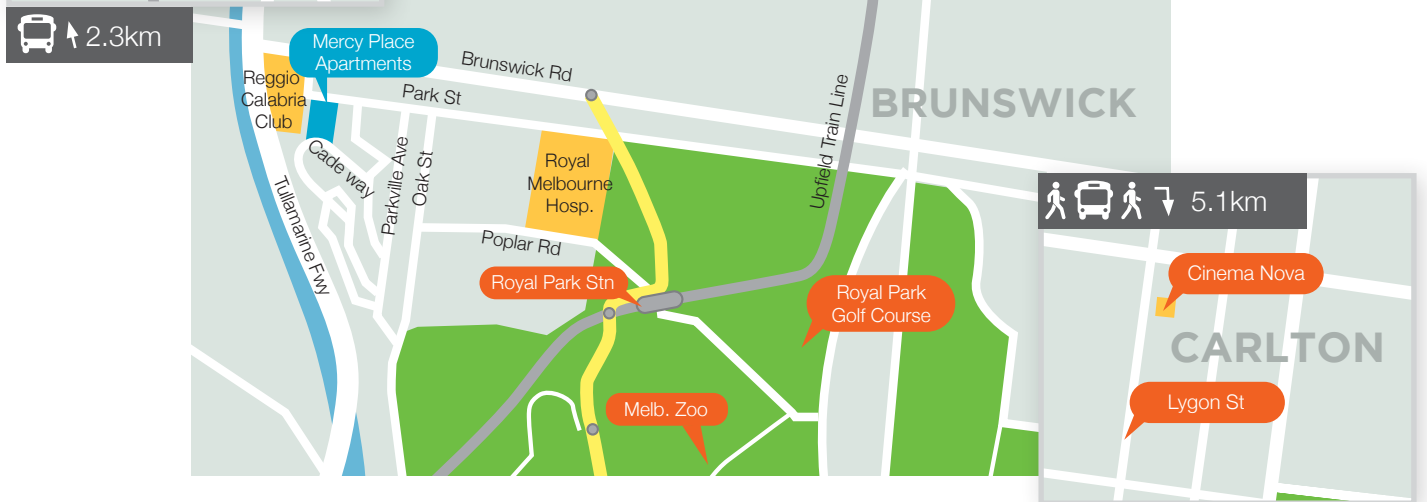

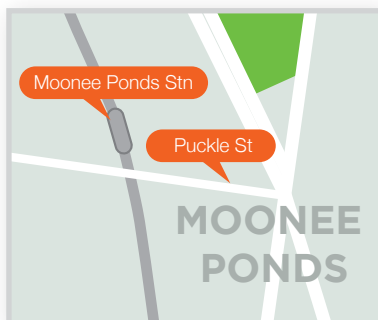

Enjoy close proximity to public transport, sports venues, galleries, theatres, and cinemas either in the city or locally at the renowned Cinema Nova. Shopping opportunities abound in the city, Carlton, Brunswick, and the Puckle and Lygon street precincts.

The Reggio Calabria Club offers authentic Italian cuisine just a short walk away. The Apartments is also on the doorstep of the Royal Melbourne

Hospital, and the Melbourne Extended Care and Rehabilitation Centre which hosts a range of aged care health services.

The Apartments offers a lively community setting for residents, their families and friends. A relaxing open plan community area is available exclusively for residents. This comfortable lounge, dining, billiards, TV and courtyard area is the perfect venue to meet with new friends and spark new connections. The Apartments offers a convenient entrance to our adjoining residential aged care home, Mercy Place Parkville. It is the perfect option for couples who may have differing care needs now or in the future.

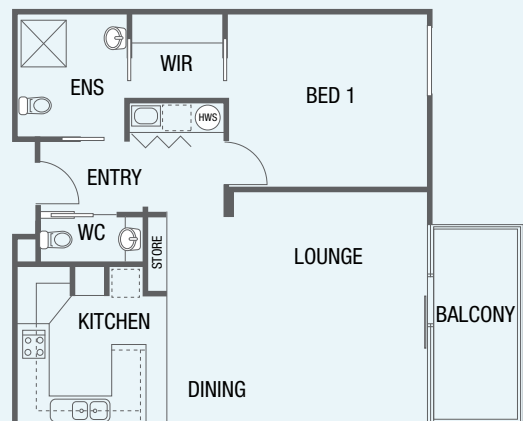

The precinct also offers a hairdresser, a large chapel and a glorious rooftop lounge. At Mercy Place Apartments, you get the best of both worlds — peace of mind while spoilt for choice.

## Floorplans

All apartments are stylish and spacious, perfect for entertaining family and friends. The positioning of individual apartments provides for a range of different outlooks across all floors, including views of the Melbourne CBD. Each apartment has full-length glass doors leading from the living area to your very own private balcony.

### One bedroom
